### SECOND OZARK TRIP

The Farm Credit Club hikers got off to a late but flying start last Friday on the season's last trip to Lakeview Beach; when the school bus kept them waiting on 14th Street amid their impedimenta for 2 hours. For the only time out of the three trips, the bus driver was able to remain with the charter, and he was a welcome addition to the intrepid males who ventured forth in spite of the 5 to 1 odds against them. A little after midnight the trippers stumbled in the darkness to their cabins, "Kum Inn," "All Inn," "Near Lee Inn," "Bear Lee Inn," "Vile Inn," "Never Inn," and "Wot's Cook Inn," the last-named being the cook shack where Dorothy Dick, the chairman of the trip, ably directed operations to keep the inner-man content. The outer man was satisfied with a few sunshiny moments on Saturday and blue skies on Sunday; swimming, boating, fishing (removing the pole from the water in status quo), and just plain having fun. The trip back was uneventful except for a paper snow storm which left the hikers looking as if they'd attended a wedding instead of the last and best of the series, "A Trip to the Ozarks," or "How Can You Have More Fun?"

On May 14 the Ozark trippers viewed movies and passed around snapshots taken last fall and during the first spring camping trip of 1946. There were plaudits to our amateur camera enthusiasts,

and much hilarity and real enjoyment in viewing the candid shots.

## FAMINE RELIEF

Famine relief is in the minds of all. The local campaign has been postponed briefly but Rose Fleming and her committee will let you know when you may make your donations to feed the hungry.

## SPECIAL SERVICES

A recent call for blood for an emergency transfusion for the wife of an FCA employee brought instant response from his fellow workers. The list of volunteers is too long to appear in this limited space, but it proved that FCA men and women can be depended upon in any emergency. The donor who served was the husband of the patient, but he takes this means of thanking all who volunteered.

## SOFTBALL

The Softball team is off to a good start. On May 15 it took its opening game from Veterinary Detachment, Quartermaster Corps by a score of 3-0. In spite of the low score the game revealed the team's potential power and the boys really hit their stride on May 20 when they trounced Railway Mail Service 13-5. MORRISON connected for two 4-sackers and PREWITT and DRESCHER each contributed one. The 5 runs chalked up against BEAUCHAMP, who pitched a masterful game, were mostly unearned. The boys are set for a successful season but would like a rooting section to show off to. Monday the 27th is an open date and the next game will be June 3 at 13th and Summit. It is only a short way from the office so saunter over and lend your support. Games are scheduled for 6:00 P.M.
